Installing A 7 Pin Trailer Connector On A 2001 Ford F150

I checked my 7-pin plug (factory installed towing package on a 2005 F150) and the "backup" wire is black-pink stripe, NOT red. It goes to the CENTER contact in the plug. I confirmed it with a voltmeter. There is a "fat" white wire that goes to the contact at about 7:00 o'clock which is negative (or ground) and would be the other wire you would use.
