At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, Frog and Toad are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in Frog and Toad Are Doing Their Best perfectly capture the heartwarming authenticity of Lobel's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through Frog and Toad,

we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life's burdens makes even the darkest days brighter.

sters are different, but that just makes them more fun. These exciting stories take children of all ages into Monsterland to meet Melton, his girlfriend Shyla, and their friends. Melton is a three-eyed monster made of bright green slime, and Shyla is a green slime monster with one beautiful eye. Funny Monsters share their experiences with children around the world to show what the world looks like from their slice of the world. Monster Melton learns many lessons that our children may also experience in life. He learns how to lean on his friends for support when bullies hurt his feelings. Never wanting to hurt anyone's feelings, this kind monster learns how to show others respect even when he doesn't get his way. Some other lessons that are taught through these endearing stories include: When someone is unkind, ask them what's wrong. You can't assume that it is always about you. Friends are always there for one another and cheer up one another in bad times. When you fail, the best thing to do is to try again. Our earth is a precious resource, and it is everyone's job to keep it clean. All of these funny monster's lessons are introduced subtly through engaging storylines that children will find relatable. All of the monsters are friendly and nonthreatening, but they aren't always nice to one another. Through their mistakes in life, they teach human children the best way to live healthy lives and care for other people. These bedtime monster stories are recommended for early readers, ages 4-8, as well as parents reading to younger children. To get the most out of each story, ask your child questions.
