Once he crossed the Qing Dynasty, he even became the 'Eighth Lord's Blessing'. Chi He really wanted to give the God a middle finger! How could she, a lowly commoner, live to become a prince in the name of Fu Jin! Competing for a favor? No! A duel? No! A palace battle? Not to mention! However, she wasn't willing to die just like that! After some thought, Chi He River set a goal for himself! Even if he didn't have the love of a man, the company of a child was still worth it! Thus, every day she would open her eyes and think about one thing. Would she be able to make Eighth Lord stay for the night today?

Cuba: Another Side of the Story is a memoir of how life changed for many children growing up in a country slowly dying under constant political conflict. The story is told in three parts: Part I "Before Castro," Part II "Life under Castro," Part III "Life in Exile." This book creates a vivid sense of time and place through childhood memories of pre- and post-Castro Cuba, from 1945 to 1967. The forty two stories, told through the voice of a child, highlight moments of injustice in the eyes of a young girl who does not understand why the world around her is so strange. Her nanny, a poor black woman, shaped her soul and showed her the other side of the story, the story of the poor who are voiceless in a world where only those who can afford to pay for elite private schools can get ahead in life. This nanny becomes the spiritual guide who enables a very sensitive young child to navigate in a confusing world. Every one of the 42 stories focuses on a moment where the child relives memories of what she witnessed growing up. The first story is dedicated to Nana, the person whose memory guides her to write her life story. The title of the stories clearly describe how Nana influenced the author and helped her see the other side of the story. "El Barrio" describes a neighborhood where the rich, middle class and the poor lived in close proximity, a reflection of what Cuban society was in the 1950's-"Everyone lived under the same sun, moon

and stars but our worlds were very different." The chapter about "Sunday Mass" describes the well-dressed parishioners who every Sunday walked through the park next to the Church and ignored the beggars who held their arms out, palms up, hoping to get a nickel or dime. "I don't think the beggars got any of the money the priests collected every Sunday because they came back every Sunday. I never understood why God didn't take care of everybody the same way." Religious conflict plus the rich versus poor struggles are present throughout the book. Castro started his revolution claiming he wanted to help the poor. In the end, everyone, including the poor, were deceived by a charismatic man who understood what the poor wanted to hear, a promise of equality for all. His communist doctrine doomed the possibility of ever achieving equality for all. During Sunday Mass the priests would often remind poor parishioners how much God loved the needy by quoting verses like, "Blessed are the poor for they shall inherit the Kingdom of God," or "For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God." Religion and poverty seem to be two themes that prevail throughout this book, expressed clearly by the voice of the author who puts into words her thoughts by writing, "I never understood why God didn't take care of everybody the same way." The stories "The Day the Old Cuba Died" and "The Bay of Pigs Invasion" describe the days leading to the failed attempt by Cuban exiles to get rid of the Castro regime. All hope and dreams died. The only dream left was to find a way to leave the island. The chapter "Adios Cuba" is a vivid memory of what it means to become a political exile. "Exile is more than a change of address, it is a spiritual displacement." This book is not a research study about Cuban maids, family, religion or politics; it is a story about a young child and the life of her nanny and maids who allowed her to enter their world, a world that many don't dare to acknowledge.

A true story of how a former escort started up her own agency and of the many incredible women, and remarkable array of men, who crossed her path. This book sheds a light on the dark side of world's oldest trade.

This carefully crafted ebook: "Greatest Mystery Novels of Wilkie Collins" is formatted for your eReader with a functional and detailed table of contents. The Woman in White is considered to be among the first mystery novels and is widely regarded as one of the first (and finest) in the genre of "sensation novels". The story is sometimes considered an early example of detective fiction with the hero, Walter Hartright, employing many of the sleuthing techniques of later private detectives. The Moonstone is an epistolary novel, generally considered the first detective novel in the English language. Besides creating many of the ground rules of the detective novel, The Moonstone also reflected Collins' enlightened social attitudes in his treatment of the servants in the novel. Armadale is a mystery novel and has a convoluted plot

about two distant cousins both named Allan Armadale. The father of one had murdered the father of the other (the two fathers are also named Allan Armadale). The story starts with a deathbed confession by the murderer in the form of a letter to be given to his baby son when he grows up. No Name is a 19th-century novel revolving around the issue of illegitimacy. Wilkie Collins (1824-1889) was an English novelist, playwright, and author of short stories. His best-known works are *The Woman in White*, *No Name*, *Armadale*, and *The Moonstone*. Content: *The Woman in White* *No Name* *Armadale* *The Moonstone* *The Haunted Hotel: A Mystery of Modern Venice* *The Law and The Lady* *The Dead Secret* *Miss or Mrs?*

She was the bane of the heavens, the abandoned daughter of the Xue Clan, and

a lowly and despicable criminal ... Until she became his concubine, then she would ride the winds and surf through the waves, stepping onto the path of a counterattack. She would become the peerless imperial concubine! To her, the life and death of her family, the honor and honor of her family, as well as her own dignity, all had to be protected by her death! Only for him love, but in the turbulent times, uncertain. She was only willing to wash away all her splendor, and spend all her splendor, so that she could be with Elder Jun!

The Law and the Lady is a unique story in that it presents a female character as a detective. Many modern aspects of detective fiction (like the cross-examination) first appeared in this story.
